Problem:

Please briefly explain your problem and outline the steps that have been taken by you and the agency with regards to your situation. In addition, please make your request for assistance as specific as possible. Should you require more room, feel free to attach a letter addressed directly to the Senator.

I am working with Steve Posner who is professor of
Advanced Writing at the University of Southern
California. We are working more than year at the online
educational project and now we are at the stage where it
is essential that me and Steve sit side-by-side for a few
weeks in order to beta-test our product, refine the
website, create several new functionalities, and help

construct a roadmap for our next phase of development.
Steve has invited me into USA and sent to me an
invitation letter which I took to U.S. Embassy in Ukraine.
I applied for nonimmigrant visa, however got refusal
according to Section 214(b) of the Immigration and
Nationality Act.

A handwritten signature in black ink, appearing to be 'DJ', is written on the lined paper.

**I hereby authorize U.S. Senator Dianne Feinstein and her staff to make inquiries
and obtain information related to my case currently pending with the above
mentioned federal agency.**
